

ADA Celebration with the Omaha Royals

July 26, 2010 marks the 20th Anniversary of the Americans with Disabilities Act (ADA). This landmark piece of federal legislation protects Americans with mental and physical disabilities against discrimination.

The Council Bluffs Civil Rights Commission and the Omaha Royals invite you to a special ADA Celebration at the Ballpark on Sunday, July 25. Similar celebrations will take place in minor league baseball parks through the Midwest. Children of the commissioners with the Council Bluffs Civil Rights Commission will throw out the first pitch.

The Council Bluffs Civil Rights Commission works to promote respect, cooperation and appreciation of diversity; to eliminate discrimination; to assist in the investigation and evaluation of discrimination complaints; to raise awareness of human rights through education and advocacy; and to ensure that no citizen, due to illegal discrimination, will be hindered from reaching their full potential.
