

Council Bluffs Recycling Center City Contract Tree Removal Tree Load Specifications

Payment is due at time of disposal, cash, check and credit card only. We cannot extend credit, start charge accounts, hold checks or “carry” loads until the end of the day.

Tree debris that meets the following specifications will be charged at the **\$24/ton rate**.

- Branches and logs up to 24” in diameter shall be cut no longer than 10’ in length.
- Branches and logs 24”-36” in diameter shall be cut no longer than 6’ in length.
- Branches and logs 36” and up in diameter shall be cut no longer than 4’ in length.

Any load of branches and logs that is not cut to specifications will be prorated to the **\$55/ton rate**.

Stump grinding materials **MUST** be kept separate from other Tree Debris and will be dumped in a separate, designated area. Stump grindings will be charged at the **\$24/ton rate**.

Any load of branches, logs or stump grindings containing anything other than tree debris will be prorated to the **\$55/ton rate**. No concrete, construction debris, garbage, metal or other contamination is allowed.
