

CITY OF COUNCIL BLUFFS

BID FY20-2 PLOW BLADES AND CURB RUNNERS

Questions are in black and answers and addenda from the City are in red. The following addenda and clarifications have been released by the City of Council Bluffs:

July 11, 2019

1. Please clarify: if the system we bid is 100% compatible with Black Cat Joma 6000, do we only bid the replacement blades without clamp bars and back supports?

Correct. In this situation, we only need the replacement blades to be bid.

2. Can you please provide a drawing or picture of the requested Universal Curb Runner (for road graders)? If a picture is unavailable, should it be compatible with curved or flat grader blades?

Should be compatible with a curved blade with standard highway punch. Attached is a picture of the style we are looking for:

July 24, 2019

3. Pages 3 and 4, Plow Blades, Acceptable Brands/Models - The Kuper GK5 is no longer acceptable. Acceptable Brands/Models for the 3' and 4' sections shall now read:

Kuper Tuca SX Wave, Joma 6000, or Equal

Respectfully,

Kim Riebe  
Purchasing Officer
