---

I understand that if the above requested recreational bonfire permit is granted, that I must only burn clean, dry firewood\* as inspected by personnel from the Department of Health and/or the Fire Department. Burning of trash, brush, rubbish or any other item is prohibited.

A fire ring free of dry grass and weeds must be prepared, and a hose connected to a water source must be available to the proposed site.

The site will be inspected prior to the issuance of a recreational bonfire permit by personnel from the Health Department and/or the Fire Department and subject to immediate suspension due to declaration of a burning ban by the Fire Marshall.

Failure to comply with these rules may result in a citation being issued.
